Mr. Chase Denies His Son-in-Law Is Ill

Denial is made by P. B. Chase of the report that his son-in-law, owner of Keith's Theater, is seriously ill at his home in Miami, Fla. Mr. Chase said that in response to a telegram addressed to his daughter he had received a message saying that the report was without foundation. Representatives of Mr. Keith's Washington theater said today that they had heard nothing of his reported illness. Mr. Keith was married two months ago to Miss Ethel Bird Chase, and they are now in Florida on their honeymoon.
